### (PDF) Aging, Dying, and Bereavement in Contemporary Japan

Dying, death and bereavement are universal experiences that call us into profound connection with questions of meaning, purpose and the human spirit. And yet for those both within and without traditional religious orthodoxy, questions of spirituality in death and grief are often marginalized, with death being managed as a primarily medical event.

### Death, Dying and Bereavement Certificate | Wilfrid Laurier ...

The work of sociologists in the study of dying, death and bereavement dates back to the 1960s in the United States, when the first (and still influential) empirical observational studies looking at the care of people who were dying were conducted within hospitals (Glaser and Strauss 1965, 1968, Sudnow 1967, Strauss 1970).

### Review article: the sociology of dying, death and bereavement

Japan's attitudes toward death and bereavement, traditionally disparate from those of the West, are in the process of rapid transition. This article considers these social changes from the standpoints of (1) Japan's aging population; (2) changing attitudes toward suicide; (3) the Westernization of Japanese medicine; (4) Japanese decision-making and concepts of personhood; (5) evolution of ...
