Embalming History, Theory, and Practice, Fifth Edition ...

History. The beginnings of the art and techniques of embalming are associated principally with ancient Egypt, where, as in parts of Asia and South America, a dry soil and climate encouraged its development. The early practice of wrapping the dead in cloth and burying them in charcoal and sand beyond the reach of the Nile waters preserved the corpses, which retained form and features for a long ...

Embalming History Theory And Practice Fifth Edition ...

Embalming today has become a very common practice in the West. Even people who are cremated will often be embalmed if there is an open casket memorial beforehand. When we hear embalming mentioned, most of us are probably initially grossed out, imagining strange contraptions, dead bodies, and who knows what else.
