"Pre-reading strategies allow students to think about what they already know about a given topic and predict what they will read or hear. Before students read any text, teachers can direct their attention to how a text is organized, teach unfamiliar vocabulary or other concepts, search for the main idea, and provide students with a purpose for reading or listening.

Early childhood teachers tend to spend hours of time searching for just the right books for their students for both shared reading and guided reading literacy experiences. Once a book is located, it is sometimes even more difficult to find multiple copies, books that can be sent home for further reinforcement, and/or books that can be made even more personal with student drawn artwork, etc ...
