Symantec WinFax Pro - User 10.2 - Download

With this tool, let Word harness the power of WinFax Pro. Save time and boost productivity with one-click, professional faxing. The WinFax Pro Automator takes full advantage of WinFax Pro's vast capabilities directly from Word. Automatically send WinFax the recipient, fax number, subject, cover page and more -- right from any Word document.

WinFax Pro Fax Automator Free Download for Windows 10, 7 ...

First off, you should not try to install anything less than version 10.03 on an XP system. Symantec warns you about this on their web site. If you insist on purchasing WinFax Pro - which I do not recommend - make sure you buy version 10.03. Secondly,

WinFax Pro conflicts with the built-in Windows Fax program in Win XP.

Amazon.com: WinFax Pro 10.0

I don't know what version of the program you're using, but according to the Windows Compatibility Center, Winfax Pro version 11 isn't compatible with Windows 10. You can try running the program in Compatibility Mode (right-click on the program's executable and select Troubleshoot Compatibility), but if that doesn't work, you'll need an updated fax program.

WINFAX - Microsoft Community

The final Delrina-made version of WinFax was WinFax PRO 7.0, which shipped in November 1995. There was no intervening version 5.0 or 6.0, and the jump to version 7.0 was purely a marketing decision, based on keeping up with Microsoft's suite of Office products which were then at the same number.
