Introduce your paper. The first section of an APA style paper will be the introduction, but it doesn't have to be labeled. Just write the title of your paper (in regular type) on the start of the next page, then begin writing your introduction on the line below it. Your introduction should summarize your topic, it's relevance to other research, and how you arrived at your hypothesis.

How to Write an APA Style Paper: 12 Steps (with Pictures)

A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for a specific organization is often known as "house style".
